

SUNSET HEIGHTS NEWSLETTER

To Our Sunset Height Family
Richard & Shirley Alkire
#7

From our president June #66

Idaho Downwinders stricken by certain types of cancer can now apply for compensation if they lived in Idaho between 1951-1962 through the Radiation Exposure Compensation Act according to the DOJ. The federal government conducted nuclear tests in Nevada, and radiative material was released into the atmosphere affecting people up to hundreds of miles away in Idaho.

your family &
friends!)
Thank You!

From Michelle our property manager
This is the time for our paint and repair program. Which means that residents need to make sure homes are in good condition such as painted, siding is not falling off, landscaping is being maintained, lawns mowed and watered, trees and bushes are trimmed and looking nice, weeds are weed eaten and kept up. Carports are clear of things that belong in sheds, Patio furniture and BBQ's only allowed on porches. Carports are not for storage. Thank you in advance for your cooperation,

The park website is sunsetheightsclarkston.com.

You can download a newsletter from it. If you signed up for an email newsletter and haven't been receiving it yet, check your spam folder for a confirmation from the website. Confirm your email address and you will start getting the newsletter by email. If you still have any trouble, or would like to sign up for the newsletter by email, send an email to me at Grandma.mcneely@gmail.com for instructions. We had 48 people originally sign up for email newsletters but still have 22 not confirmed.

We are having a PARK WIDE YARD SALE for JUNE 6TH 8-4.

June's potluck is cancelled because we are having a BBQ on Saturday July 4th at the Club House. Mary Ann McNeely-Cooper #31 and Lynne Beck #65 have keys to the display case for those who wish to place item in it. Don't tape items to the plastic, it leaves a film on the plastic. New phone lists are available in the Newsletter Box on the Club House pool wall.

From our Treasurer Mary Ann #31
